More weekday walks have been arranged and details of these will be published very shortly. The dates can be viewed in the Planned Events section.

CECIL BEATON PORTRAITS

The Cecil Beaton Portraits Exhibition continues at the Walker Gallery in Liverpool on 31st August. We understand it is well worth a visit and time is running out.

Chris Noble is organizing a trip to Liverpool on **Saturday 29th August**. The proposed trip will involve a train journey to Liverpool where we can visit the exhibition and take the opportunity to do some photography around the City Centre, including the Albert Dock.

If interested please advise Chris on 07748-598923 or by e-mail at chris@noblemultimedia.co.uk.

The photo above, taken by Bob Morgan, shows the members and guests who took part in the recent Talacre Walk.

ABOUT THE EDITOR

For my sins, whatever they were, Bob has lumbered me with the job of editing the club newsletter. I intend to use this section each month to profile one of the members and to be fair I decided to start with myself.

Name: Chris Noble

Cameras: Nikon D300, D200, D50

Lenses: Nikon & Sigma

Software: Photoshop CS3

Web: www.noblemultimedia.co.uk

Photography: Landscapes, Floral, Still Life & Portraits.

Born in Dublin, I moved to the UK in 1987. I have been photographing since I was 7 years old and turned professional 2 years ago, since when I have been trying hard to pick up a living from it. My main interest is music, and so really enjoy combining it with my photos by creating AV's.

Remember the club has a Special Exhibition taking place as part of the Cilcain Show on Monday 31st August. The show begins at 12 Noon and more details can be found at WWW.CILCAINSHOW.ORG.UK

Triptych Competition – 14th December 2009

Competition 3, this coming season, will be a Tree Triptych. The suggestion is that you photograph one tree and show how it changes with the changing seasons. There is still time for it in Summer through Autumn to early winter.
